

Directions to NRT Workshop

Bldg. 2102 (IESB)

Route

Parking

- Enter the NASA Langley Research Center main gate and take an immediate left turn on to West Taylor Street.
- Proceed 2 blocks to Bldg. 2102 on the right.
- Parking is behind Bldg. 2102 and directly across the street from Bldg. 2102 behind Bldg. 1146 (and 1147 not seen on map).
- Enter Bldg. 2102 on West Taylor Street and proceed to the Reid Center, which is located on the first floor in the center of the building. Bldg. 2102 is commonly referred to as the IESB – Integrated Engineering Services Building. For additional parking, please see the attached, annotated aerial photo.
